RESPONSE TO OFFICE ACTION

Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

This Response is made to the Office action mailed 2/25/2002 in the above-referenced application. A shortened period for reply is set to expire 3 months from the date of mailing.

The Examiner has required restriction under 35 U.S.C. 121 to either:

- I. Claims 1-26 for a method of delivering gas to a user;
- II. Claims 28-55 & 58 for a device & kit for delivering gas to a user;
- III. Claims 56-57 for a treatment gas supply system; and
- IV. Claims 59 - 60 for a Needle for gas delivery.

Applicants hereby elect Group I.

As the Applicants have elected Group I, the Examiner has further required election of either Species A for methods of gas delivery to a user's Oro-nasal cavities or Species B for methods of gas delivery to a user's ocular region.

Applicants hereby elect Species A.

However, Applicants respectfully traverse the restriction requirement.

Additionally, Applicants note that a Preliminary Amendment was filed September 4, 2001 (corrected as to form October 24, 2001) which amended certain claims and added claims 61 - 105. A copy of the Preliminary Amendment is attached.

Applicants list the following claims added in the Preliminary Amendment as readable on the elected Group I, Species A:

61-63; 65-71; 75-76; and 102-103.

Respectfully submitted,

Date: April 23, 2002

Sir:

**Preliminary Amendment
(Corrected)**

This document is filed to correct the Preliminary Amendment filed September 4, 2001 which was inadvertently filed in non-compliant form. This amendment is identical in content to the Preliminary Amendment filed September 4, 2001. No new matter has been added.

1. Amendment

In the Specification:

Please amend the Specification by replacing the following paragraphs as indicated:
